# Clothes Swap Party

**Tuesday, 23<sup>rd</sup> April, from 6 till 10 pm.**

Uni Campus, Building SFG, Room 1040  
Enrique-Schmidt-Straße 7, 28359 Bremen

## What is a Clothes Swap Party?

We have many items of clothing in the closet that we do not wear anymore. They are pretty and in a good shape, but they always end up in the bottom drawer. How about to get rid of the boring clothes and get interesting new clothes instead? And how if it does not cost a single penny and does not consume any resources?

You are invited to come without any money and find your new favorite treasure. Or bring your old clothes with you and display them on the tables. You do not have to bring any clothes along (**Yes, you really do not have to bring any clothes along!**) All people can try on everything and take it with them. There is no bartering - each person is free to give what s\*he has. Money should play no role during this evening.

## What happens this evening?

There will be music, drinks and a repair station so that you can trim, beautify and repair your clothes. If you want a new haircut, use the do-it-yourself hair saloon.

## What else to know?

You also have the option to bring your clothes to the AStA-office at any time (open every day until 4pm), so we can lay them out on the 23<sup>rd</sup> April.

In addition, you will not have to carry your clothes home again: Leave them at the Clothes Swap Party, so that we can store them and display them at the next Clothes Swap Party. We hope to see you at the party :D

Share it online, come along, bring your mates:
